

CRV Recycling

STEP-BY-STEP

1

PARK IN A DESIGNATED SPOT

- Make sure that you only park in a specific & designated parking spot.
- Look around you to make sure you are not blocking any pathway.
- Be respectful of others around you.

2

GRAB CORRECT BASKETS

- For all Plastic and Aluminum Cans & bottles, use the wire baskets.
- For all Glass containers, use solid plastic containers.

3

DRAIN LIQUIDS

- Please drain all the liquids from all containers into the provided Liquid Containers that are located throughout the parking lot.
- Do not pour your liquids on the ground, even if it is water!

4

SORT MATERIALS

- Each different item must be separated into separate baskets.
- You can leave the plastic caps on PET bottles but the caps must be loosely on.
- Glass must be sorted by color and glass cannot be broken.

5

BRING MATERIALS TO SCALE

- When you have drained and sorted your items, please bring them inside the warehouse to the inside scales.
- Our employees will scan, weigh, and record your items for

6

GO TO CASHIER TO GET PAID!

- Bring your ticket or ticket number to the cashier
- Have your CA Driver's License ready
- Remove any hats and sunglasses for pictures, if needed.
- Sign or print your name on the ticket for our records.
